Dear Mr. Hoffman:

Regarding: Docket 060368-WS, Aqua Utilities Florida, Inc., Rate Case

The Commission still holds two confidential documents concerning the staff audit performed in this case, Document No. 04508-07 and Document No. 04992-07.

As you agreed by telephone with staff attorney Rosanne Gervasi several weeks ago, we will be declassifying the staff audit working papers, Document No. 04508-07, and returning them to the public audit files.

As part of Aqua's request for confidential classification, Document No. 04992-07 is no longer needed and will be returned to the utility.

After 21 days without further instructions, I am instructing the Clerk's Office to consider Aqua's request for confidentiality withdrawn and for the Clerk to return Document No. 04508-07 to the Bureau of Audit and to return Document No. 04992-07 to the utility.

Ken, if you would like to discuss any technical questions regarding this matter, I can be reached at 850-413-6485. If you have any procedural questions or if you would like to talk to the staff attorney assigned to this matter, please call Rosanne Gervasi at 850-413-6224.

Thank you for your assistance and cooperation.

Sincerely,

11/28/2007
