RE: Docket 060285-SU, Request to Declassify 3 pages (14, 15, 16) Filed by Utilities, Inc. of Sandalhaven from the Redacted Portion of Document 04174-07

Please declassify pages 14, 15 and 16 from the redacted copy of the consolidated financial statements included within confidential section 04174-07.

On May 23, 2007, Utilities Inc. of Sandalhaven filed document 04174-04 along with a request that certain portions of its financial statements be granted a confidential classification. When making the filing, the company placed the necessary public redacted copy in a section marked confidential. The Clerk's office has been holding the redacted copy in a confidential status since May 23, 2007.

On January 3, the company agreed to allow the audit staff to correct the filing and place the necessary redacted materials in the Clerk's Public files in order that the request for confidential classification could be processed.

Staff has received no other instructions from the utility since January 3, 2008.

Therefore, we recommend the Clerk's Office declassify 3 pages (14, 15, 16) filed by Utilities, Inc. of Sandalhaven from the redacted portion of document 04174-07.
