RE: Colonial Manor Utility Company  
FPSC Docket No: 060540-WU

Dear Commission:

Please accept this brief letter as request for waiver regarding the above referenced file and suspend rate case and associated FPSC docket number. In recognition of Florida Statute 367.081 and the timelines for hearings thereby dictated, I am advising that Colonial Manor Utility Company wishes to waive the timeline requirement. We request that our docket be reviewed at the May 6th, 2008 PSC agenda conference. Due to the need to re-advertise for bids related to capital improvements (we received no response to original bid posting); the new bid receipt date is March 14<sup>th</sup> and we will have a contractor recommendation to the Commission no later than March 21<sup>st</sup>. All other requested information will be furnished to the Commission no later than February 29th in order to have only the bid price information pending, which will therefore facilitate your ability to grant this request for waiver.

As always, I appreciate all consideration provided to Colonial Manor Utility Company. Please do not hesitate to contact me if further discussion is necessary.

Respectfully,

  
Gary Deremer  
President
