RE: Year 2008 Local Competition Report Data Request – Revised Table 1

Dear Ms. Bayó :

Table 1 has been revised at the request of the PSC to include the total access lines and percentages of the total. The difference between Table 1 and FCC Form 477 is due to the data being derived from two different sources within Frontier’s systems.

Pursuant to the Commission’s rules, 25-22.006(5) of the Florida Administrative Code, Frontier requests the attached revised Table 1 be designated as confidential information. In response to 25-22.006(3)(a)1., attached are three additional documents: original document with sections to remain confidential highlighted in yellow and 2 original documents with information to remain confidential marked through.

If you have questions, please do not hesitate to contact me at 304-325-1688.

Sincerely,

Frontier Communications of the South, LLC
