Re: FPSC Docket No. 080167-WS
Aqua's Application for Approval of Transfer of Cal Clair, Inc. d/b/a Breeze Hill
Utility Water and Wastewater Systems and Amendment of Certificates in Polk
County, Florida

Dear Ms. Clapp:

Aqua Utilities Florida, Inc. hereby provides the following responses to your questions arising from the Application filed in the above-referenced docket:

1. Please clarify whether Breeze Hill collected customer deposits and, if so, the status/disposition of such customer deposits.

Response: There are no customer deposits.

2. Breeze Hill is responsible for Regulatory Assessment Fees for January 1 through May 29, 2007. Breeze Hill has not paid those RAFs. Can Aqua ensure that Breeze Hill will pay for January 1 through May 29, 2007 RAFs?

Response: No, Aqua has made a good faith effort to contact the previous owners of the Breeze Hill systems who refused to make a commitment to pay the Regulatory Assessment Fees that they owe for the period of January 1, through May 29, 2007.

3. Does Aqua intend to include the Breeze Hill water and wastewater systems in its 2007 annual report?

Response: Yes.

4. Do we have records supporting plant additions following the last approved increase in Breeze Hill's rates and charges pursuant to Order No. PSC-02-1114-PAA-WS issued August 14, 2002?

Response: Aqua has folders with the fixed assets, depreciation, CIAC and amortization figures. Aqua also has Breeze Hill's Annual Reports and depreciation schedules that list each asset individually. Aqua was not provided copies of invoices in connection with such assets by Breeze Hill.

I hope these responses are helpful. Please do not hesitate to contact me if you need additional information.

Sincerely,

Kenneth A. Hoffman
