AFFIDAVIT

State of Texas
County of Dallas

BEFORE ME, the undersigned authority, appeared David Dorwart, who deposed and said:

My name is David Dorwart, I am employed by dPi Teleconnect, LLC, located at 2997 LBJ Freeway, Dallas Tx as its President & CEO. I am an officer of the Company and am authorized to give this affidavit on behalf of the Company. This affidavit is being given to support the Eligible Telecommunications Carrier petition filed by my Company with the Florida Public Service Commission (PSC).

Company hereby certifies the following:

1. Company will follow all Florida Statutes, Florida Administrative Rules, and Florida PSC Orders relating to Universal Service, Eligible Telecommunications Carriers, and the Florida Link-Up and Lifeline Program.
2. Company will follow all FCC rules, FCC Orders, and regulations contained in the Telecommunications Act of 1996 regarding Universal Service, ETCs, Link-Up and Lifeline, and toll limitation service.
3. Company agrees that the Florida PSC may revoke a carrier's ETC status for good cause after notice and opportunity for hearing, for violations of any applicable Florida Statutes, Florida Administrative Rules, Florida PSC Orders, failure to fulfill requirements of Sections 214 or 254 of the Telecommunications Act of 1996, or if the PSC determines that it is no longer in the public interest for the company to retain ETC status.
4. Company understands that if its petition for ETC status is approved, it will be for limited ETC status to provide Link-Up, Lifeline, and toll-limitation service only, and the Company will be eligible only to receive low-income support from the Universal Service Fund.
5. Company understands that it may only receive reimbursement from the Universal Service Administrative company (USAC) for active customer Link-Up and Lifeline access lines which are provided using its own facilities or using access lines obtained as wholesale local platform lines (formerly UNE lines) from another carrier. The Company shall not apply to USAC for reimbursement of Link-Up and Lifeline access lines obtained from an underlying carrier which already receive a Lifeline and/or Link-Up credit provided by the underlying carrier.
6. Company understands that the PSC shall have access to all books of account, records and property of all eligible telecommunications carriers.
7. Company understands that low income support reimbursed by USAC for toll limitation service is available only for the incremental costs that are associated exclusively with toll limitation service.
