Hi ce,

Please see Nonnye's note below. I checked all of the additional copies and Page 4 is missing from all packets.

Can you please send it to me in either a pdf or fax and I will make sure Nonnye gets a copy for the Docket File in the Commission Clerk's office.

Thanks,

Good morning Toni, we have a new docket 080570-TX opened on 8-27-08 and page 4 is missing from the original application, which is the page that has all of the company's information listed (contact person, phone, etc) that I need for MCD. I did entered the address in MCD, so that we could get the company code assigned and no other information is listed now. After you receive the application can you get in touch with Mr. Steinhart, who filed it and request that he send in the missing page . Once we receive that information from him I will get it entered into MCD. Thanks for your help. Have a nice weekend. N
