BEFORE ME, the undersigned authority, appeared Brian Cox, who deposed and said:

My name is Brian Cox, I am employed by BLC Management LLC d/b/a Angles Communication Solutions, located at 11121 Highway 70, Suite 202, Arlington, Tennessee 38133 as its Manager. I am an officer of the Company and am authorized to give this affidavit on behalf of the Company. This affidavit is being given to support the Eligible Telecommunications Carrier petition filed by my Company with the Florida Public Service Commission (PSC).

Company hereby certifies the following:

1. Company will follow all Florida Statutes, Florida Administrative Rules, and Florida PSC Orders relating to Universal Service, Eligible Telecommunications Carriers, and the Florida Link-Up and Lifeline Program.
2. Company will follow all FCC rules, FCC Orders, and regulations contained in the Telecommunications Act of 1996 regarding Universal Service, ETCs, Link-Up and Lifeline, and toll limitation service.
3. Company agrees that the Florida PSC may revoke a carrier's ETC status for good cause after notice and opportunity for hearing, for violations of any applicable Florida Statutes, Florida Administrative Rules, Florida PSC Orders, failure to fulfill requirements of Sections 214 or 254 of the Telecommunications Act of 1996, or if the PSC determines that it is no longer in the public interest for the company to retain ETC status.
4. Company understands that if its petition for ETC status is approved, it will be for limited ETC status to provide Link-Up, Lifeline, and toll-limitation service only, and the Company will be eligible only to receive low-income support from the Universal Service Fund.
5. Company understands that it may only receive reimbursement from the Universal Service Administrative company (USAC) for active customer Link-Up and Lifeline access lines which are provided using its own facilities or using access lines obtained as wholesale local platform lines (formerly UNE lines) from another carrier. The Company shall not apply to USAC for reimbursement of Link-Up and Lifeline access lines obtained from an underlying carrier which already receive a Lifeline and/or Link-Up credit provided by the underlying carrier.
6. Company understands that the PSC shall have access to all books of account, records and property of all eligible telecommunications carriers.
7. Company understands that low income support reimbursed by USAC for toll limitation service is available only for the incremental costs that are associated exclusively with toll limitation service.

8. Company agrees that upon request, it will submit to the PSC a copy of Form 497 forms filed with USAC to:
 Florida Public Service Commission
 Division of Regulatory Compliance, Market Practices Section
 2540 Shumard Oak Drive
