The rates shall be effective for service rendered as of the Commission's stamped approval date on the tariff sheets provided the customers have received notice.

If the effective date of the new rates falls within a regular billing cycle, the initial bills at the new rate may be prorated. The old charges shall be prorated based on the number of days in the billing cycle before the effective date of the new rates. The new charges shall be prorated based on the number of days in the billing cycle on or after the effective date of the new rates. If you have any questions about your bill, please call the Utility at 727-848-9570.
