Re: Notification of Cancellation of the Telecommunications Authorization and Tariff of Maskina Communications, Inc. – Utility Code TJ761

Dear Ms. Bayo:

Maskina Communications, Inc. (“Maskina”), by its attorneys, respectfully requests that the Florida Public Service Commission (“Commission”) cancel its authorization to provide intrastate telecommunications services in Florida and any associated tariffs. Maskina has no customers in Florida at this time, so no customers will be affected by this cancellation. It is Maskina’s understanding that no formal approval is required from the Commission to surrender its authorization and associated tariffs. However, should the Commission determine that approval is required, Maskina respectfully requests that the Commission approve the cancellation of its authority as discussed herein.

Maskina, a corporation incorporated under the laws of Texas on May 4, 1999, currently is located at 8445 Freeport Parkway, Suite 650, Irving, Texas 75063, (972) 607-4761. Although Maskina was authorized to provide intrastate telecommunications services in Docket No. 03-01-01-TI on March 31, 2003, Utility Code TJ761 and intended to provide service in Florida, Maskina’s parent company, Vyke Communications plc, a publicly traded company incorporated in the United Kingdom, has decided to withdraw most of its operations from the United States and concentrate its service offerings abroad. Thus, Maskina is exiting the United States telecommunications market. Because Maskina has no customers, no customer notification letter of discontinuance is required.
