Re: Docket No. 090009-EI; Nuclear Power Plant Cost Recovery Clause

Dear Ms. Cole:

Enclosed for filing on behalf of Florida Power & Light Company ("FPL") are an original and seven (7) copies of its Revised Request for Confidential Classification regarding confidential information included in FPL's responses to Staff's Second Request for Production of Documents (Nos. 2 and 3). The original includes Exhibit A through D. The seven (7) copies do not include the exhibits.

Exhibit A consists of a copy of the confidential information on which all confidential information has been highlighted. Exhibit B consists of two copies of the documents with confidential information redacted. Exhibit C consists of FPL's justification table and Exhibit D contains two affidavits in support of FPL's request. Also included in this filing is a compact disc containing FPL's Request for Confidential Classification and Exhibit C only in Microsoft Word format.

This filing is intended to supersede and replace the pending Request for Confidential Classification of FPL's responses to Staff's Second Request for Production of Documents (Nos. 2 and 3) filed on April 30, 2009.

Please contact me if you or your Staff has any questions regarding this filing.
