Dorothy,

It is Document Number 11681-08, currently filed in Docket No. 080000, Undocketed filings. It should be moved to Docket No. 090047, Request for approval of electric utilities' long-term energy emergency plan, filed pursuant to Rule 25-6.0185, F.A.C.

Hi Stephen,

I just need a little more information. What is the document number of the document to be moved, and what docket is it currently filed in?

Thank you for your help.

Dorothy

Dorothy,

An early filing by Progress Energy Florida arrived prior to Docket No. 090047 being opened. Document No. 11681, dated December 18, 2008, from Progress Energy Florida should be moved into the docket file for Docket No. 090047.

Please let me know if there is anything else we need to do to correct this disconnect.
