STAFF'S THIRD DATA REQUEST

Re: DOCKET NO. 080665-EI - Petition of Florida Power & Light Company for approval of long-term agreement for full requirements electric service with Lee County Electric Cooperative.

Dear Mr. Butler:

By this letter, the Commission staff requests that Florida Power & Light Company (FPL) provide responses to the following data requests.

1. Addition of LCEC load will change the separation factor for retail load. Describe how this change in the separation factor will be reflected for surveillance purposes and how it will be reflected in cost recovery factor calculations under the following two scenarios:
 - a. Accepting FPL's proposed clause treatment of the benefits;
 - b. Applying a one-time base rate reduction at the time LCEC's load comes on line.
2. If FPL enters into any additional long-term wholesale sales agreements, will it seek the same treatment for those as it has requested for LCEC if the incremental fuel exceeds average fuel costs?
3. What is LCEC paying on a cents/Kwh basis for purchased power under its current contract and what will they pay under the proposed FPL contract?
4. In the absence of this agreement, what other options does LCEC have to purchase power for its load?

Please file the original and five copies of the requested information by Monday, February 16, 2009, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850.
