5. How was the \$198 million in preconstruction costs that is requested to be deferred from collection in the CCRC calculated?
 - How does the requested deferred amount of \$198 million relate to the amount of preconstruction cost approved for collection through the 2009 CCRC?
 - Have any approved preconstruction costs been collected through the CCRC to date, if so, what is the estimated effect on 2009 CCRC collections if the requested deferral is approved.
6. Please provide a schedule showing how the company calculated the \$7.80 monthly reduction in residential customer bills for the remaining of 2009 if the requested deferral is approved.
