Re: Docket No. 090189-SU

Dear Ms. Rule:

This will acknowledge receipt of an application for original certificate for a proposed wastewater system and request for bifurcation in Franklin County by Water Management Services, Inc., which was filed in this office on April 15, 2009, and assigned the above-referenced docket number. Appropriate staff members will be advised.

Mediation may be available to resolve any dispute in this docket. If mediation is conducted, it does not affect a substantially interested person's right to an administrative hearing. For more information, contact the Office of General Counsel at (850) 413-6248 or FAX (850) 413-7180.

Please note as well that the Commission's Statement of Agency Organization and Operations requires certificated companies to notify the Commission of any changes in name, telephone, address, or contact person. Should your application be granted by the Commission, you will be expected to comply with this requirement by advising us of any changes as they occur.
