Hi Nonnye.

Epicus is currently marked as being in bankruptcy. They came out of bankruptcy, so it now needs removing for all four Epicus companies (TI550 and TX023 are the two inactive; TK023 and TX861 are the two active). In addition, we've found a different address for the active company in the Division of Corporations' records, therefore, please change the mailing and physical address for TK023 and TX861 to 801 International Pkwy., Suite 500, Lake Mary, FL 32746-4763. No other changes at this time.

TI550 - no active docket  
TX023 - no active docket  
TK023 - no active docket  
TX861 - no active docket
