COUNTY OF PALM BEACH)	

BEFORE ME, the undersigned authority, personally appeared Roxane R. Kennedy who, being first duly sworn, deposes and says:

1. My name is Roxane R. Kennedy. I am currently employed by Florida Power & Light Company ("FPL") as Director, Production Assurance and Business Services in the Power Generation Division. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents and information for which I am listed as affiant and which are included in Exhibit A to FPL's Request for Confidential Classification of Certain Materials Provided in Connection with the Capacity Cost Recovery Clause True-up Schedules Audit No. 05-031-4-1. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. Also, certain of the confidential information relates to security measures, systems, or procedures. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

No significant changes have occurred since the issuance of Order No. PSC-07-3. 0884-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Accordingly, the information referred to in this affidavit should continue to be maintained as confidential for an additional period of not less than eighteen months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
