Concise explanation, justification or comments (attach additional sheet if necessary):

On June 24, 2009, the Utility contacted staff to discuss the recommended non-used and useful adjustment. On June 25, 2009, the Utility requested a deferral and waiver of the statutory deadline through August 18, 2009, to provide staff with additional information regarding this issue. The additional support documentation would change the recommended non-used and useful adjustment. This would also affect staff's recommended revenue requirement, as well as other fall-out issues and schedules. Therefore, staff believes the best practice is deferral of Item 12 until the August 18, 2009, Agenda Conference.
