Dear Ms. Cole:

Aqua Utilities Florida, Inc. (Aqua) respectfully requests an additional sixty (60) day extension of the schedule in the above-referenced docket. Aqua has had continuing discussions with others directed toward resolving the issues raised by the complainants in this case and wishes to continue those discussions but requires additional time to do so. Therefore, Aqua requests an additional 60 days to attempt to settle any or all actions related to the proposed transfer.

I have spoken with Attorney James L. O'Leary today and he has authorized me to represent that he has no objection to the additional extension of time.

Thank you for your assistance with this filing.

Sincerely,

s/ Michael B. Twomey
