v. Florida Public Service  
Commission

Appellant / Petitioner(s),

Appellee / Respondent(s).

**BY ORDER OF THE COURT:**

Upon the Court's own motion, appellant shall show cause within 10 days from the date of this order why this appeal should not be dismissed because it appears to the Court that the notice of appeal was not timely filed. If any pleading or order is referenced in the response, a copy of the document shall be attached to the response. Failure to timely comply with this order may result in the imposition of sanctions, which may include dismissal of the appeal, without further opportunity to be heard. Florida Rule of Appellate Procedure 9.410.

The issuance of this order shall have the same effect on the proceedings as service of a motion to dismiss, i.e. it tolls the time for preparation and filing of the record and the filing of the briefs until the jurisdictional issue raised by the show cause order is resolved by the court. See Fla. R. App. P. 9.300(b).

I HEREBY CERTIFY that the foregoing is (a true copy of) the original court order.
