Please read each of the following and check if applicable.

The document(s) is (are), in fact, what the utility asserts it (them) to be.

The utility has provided enough details to perform a reasoned analysis of its request.

The material has been received incident to an inquiry.

The material is confidential business information because it includes:

(a) Trade secrets.

(b) Internal auditing controls and reports of internal auditors.

(c) Security measures, systems, or procedures.

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

(f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.

The material appears not to be confidential in nature.

The material is a periodic or recurring filing and each filing contains confidential information.
