The title change looks good.

The Prog Mod should be **A-3(a)**, I had 3(c) which was incorrect.

Thank You
 Sincerely
 Robert

Subject: Request to Establish Docket

Good evening all,

I apologize for sending this to everyone, but I'm not sure exactly who filed the Request to Establish Docket regarding the review of replacement fuel costs associated with the 2/26/08 outage on FPL's electrical system.

The prog mod is listed at 3(c). We need clarification on that. Should that be **A, 3, c?**

Also, please confirm that the docket title should be revised from:

Review of Replacement Fuel Costs Associated with the February 28th 2008 Outage on *FPL's* Electrical System.

to:

Review of replacement fuel costs associated with the February 28, 2008 outage on *Florida Power & Light's* electrical system.

Thank you for your help.
