Re: Docket No. 090445-WS, Application for original certificates for proposed water and wastewater system and request for initial rates and charges in Indian River, Okeechobee and St. Lucie counties by Grove Land Utilities, LLC.

Dear Mr. Minton:

With regard to the above-referenced docket, staff has determined that there are two remaining deficiencies, as described below:

- (1) Pursuant to Rule 25-30.033(1)(e), Florida Administrative Code (F.A.C.), the application must provide a statement showing the financial ability of the applicant to provide service.
- (2) Pursuant to Rule 25-30.033(1)(s), F.A.C. the application must have the financial statements of an entity upon which the utility is relying to provide funding.

The application indicates that the utility's grandparent, Evans Properties, Inc. (Evans), is the entity that has agreed to provide funding to the utility as and when needed to insure that all needs for capital improvement are met in a timely manner. In support of this statement, the application contains a copy of the Funding Agreement entered into between Evans and the utility. The application also indicates that Evans will make provisions to meet with staff to provide all necessary confidential financial information.

Please contact me to schedule a meeting on or before November 9, 2009, for review of Evans' most recent tax returns, balance sheet, and income statement. The balance sheet and income statement should be certified, if available. You may contact me at (850) 413-6686 or pdaniel@psc.state.fl.us.

Sincerely,
