Vs.

FLORIDA PUBLIC SERVICE COMMISSION

MOTION FOR EXTENSION OF TIME TO FILE AMENDED NOTICE OF APPEAL

First appellant want to advise the court that on November 10, 2009 appellant received
The court orders, apparently they were mis-delivered to the post office and forward to appellant.

Second appellant filed two copies of the notice of appeal, one with the Public Service
Commission directly and the other with the court, appellant is sure that what was filed had
a certificate of service and a copy of the order being appealed.

Appellant needs to get copies as what was actually received by the clerk's office, therefore

Appellant is requesting 10 days leave to file amended complaint or respond otherwise from

The date of order.
