

VOTE SHEET

December 1, 2009

Docket No. 090371-EQ – Petition for approval of amended negotiated purchase power contract with Vision / FL, LLC by Progress Energy Florida.

Issue 1: Should the Commission approve the amended negotiated contract between Progress Energy Florida, Inc. (PEF) and Vision / FL, LLC (Vision), for the purchase of 40 MW of renewable firm capacity and energy?

Recommendation: Yes. Payments for energy are expected to produce savings between \$28.6 and \$70.2 million over the term of the contract compared to the original contract and PEF's current avoided cost. Upon a showing by PEF that expenses for the purchased power contract under the negotiated renewable energy contract were reasonable and prudently incurred, PEF should be permitted to recover those costs through the fuel clause.
