Marguerite,

Mr. Spatz's informal complaint # 889484G is scheduled to be closed today. In his final disposition letter for 559484G, he was advised of his option to file a formal petition. I have no indication that a docket has been established as of this date. Based on his intention throughout the informal process and on his letter dated 12/25/09, it would appear that a new docket should be established.

For your information, I have also attached an e-mail response I sent to Katherine Fleming on 12/21/09 and accompanying e-mail chain regarding Mr. Spatz's concerns.

Thanks, Neal

**Re: Request for Formal Complaint against Peoples Gas System
Informal complaint # 889484G**

Dear Sirs/Madam,

Pursuant to Chapter 28-106, FAC and the commission's procedural rules, in particular Rule 25-22.036., please accept this letter as my request for a Formal Complaint against the above reference utility.

The above utility turned off our service without the notice required under there tariff. An informal complaint resulted in PSC Staff agreeing with the utility on the facts of the case and disregarding the customers & witness's testimony.

I would appreciate the PSC waiving any formal procedures required under the rules for this process since the PSC legal department was not available to assist in preparing this Formal Complaint and I was furnished a copy of the rules as indicated in Neal Forsman's letter.

I would also like to reaffirm that this complaint is against Peoples Gas System not an Electric Company as indicated in Neal's letter.

Very truly yours,

Gregory L. Spatz

Katherine,

Sorry to get in on this late, but I was out of my office until 11:30.

There have been 2 levels of review by our Process Review Group. The second review, referenced as an Administrative Review in our PRG was completed by me. I sent Mr. Spatz a final Administrative Review disposition letter dated 12/16/09. In my letter, Mr. Spatz was made aware that the informal complaint process was concluded. He was also instructed regarding filing a formal petition and was advised to contact the PSC's Office of the Commission Clerk office at 850-413-6770 if he had further questions regarding filing a formal petition. As Mr. Spatz was advised in my letter, his informal complaint, complaint # 889484G, is scheduled to closed on 12/28/09. To date, I am not aware that Mr. Spatz has filed a petition or that a docket number has been assigned. Should that happen before 12/28/09, his complaint will be closed upon my being notified.

I called Mr. Spatz, he has already filed a compliant (#889484E) and was given a resolution by the PSC. Mr. Spatz's case went to process review and he was advised his next step was to file a formal

complaint if he wanted to pursue the matter further. He said he is not satisfied with the resolution and now wants to go forward with a formal complaint. He called GCL to get assistance with the wording on the formal complaint. Not sure if GCL helps with that, I advised him I would get someone to call him regarding the procedures on filing a formal complaint. He said he wants to appear before the Commissioners regarding his complaint.

Has the procedure changed? Please advise.
