Re: Docket No. 100128-WU, *Application for increase in water rates in Gulf County by Lighthouse Utilities Company, Inc.*

Dear Mr. Willis:

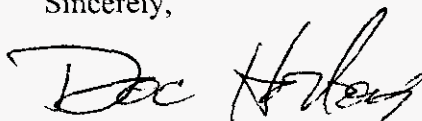

On March 10, 2010, Lighthouse Utilities Company, Inc. filed a test year letter for a rate case to be filed. On March 17, 2010, you responded requesting additional information, which was requested to be filed by April 16, 2010.

Due to other demands on our resources, this is to request that the requested information be due April 30, 2010.

To the extent necessary, the Company would waive the requirement for a response to the original submission within 30 days from receipt and agree to using the date of the information to be submitted as the date of the request for purposes of Rule 25-30.430(1), Florida Administrative Code.

Thank you for your assistance. If there are any questions, please do not hesitate to contact me.

Sincerely,

Norman H. Horton, Jr.
