Thanks. I think only TL712 and TG739 should be included since these two companies are the only ones that require Commission approval to be transferred. I looked at a previous docket (080529) that had the same situation and only the ILEC and Pay phone were listed.

We will change the suffix from TC to TP on Docket 100180 per your request below. Please confirm whether Company Codes TL712, TX085, TG739, and TK162 should be included in the utilities list? Thank you for your help.

I am not sure to whom this email should be addressed to. If you are not the correct person, please let me know who I should send it to.

I believe that the "TC" code listed for docket no. 100180 should be changed to TP. This docket involves the transfer of a few telecom companies and the cancellation of a payphone company. I am not sure what the procedures are to get the

Good afternoon, Donna

Thank you for your e-mail below. Per your earlier request (the Change of Information on Regulated Utility Form), the Master Commission Directory was updated to reflect your name as the primary person to receive letters and other filings from the PSC's Office of Commission Clerk. Based on that update, our Case Management System (mailing list for pending dockets) has also been updated, or has included you when a new docket was subsequently opened, for the following Dockets:

100180-TC ✓  
 100288-TL  
 100185-TL  
 080234-TP

If you are aware of any other open dockets where this information should be updated, please advise and we will make that change as well.

I am forwarding your message to Beth Salak in our Division of Regulatory Analysis, and to Carolyn Craig in our Office of General Counsel, so that they can forward this message to staff and the attorneys to advise of the updated contact information. I have also confirmed that this updated information is correctly reflected on the PSC website for each of the dockets mentioned above.

If you have any questions, please give our office a call.

Good afternoon,

Jeff Leslie, CEO/President of ITS Telecommunications, would like me to inquire how I can change his name from being primary recipient of letters coming from the various divisions of the PSC. One example being the recent letter regarding State Certification of Rural Companies that was sent out by Beth Salak's division. He plans on doing a lot of traveling this year and does not want the chance of any of the important documents sitting on his desk waiting for his return. I have already submitted the Change of Information on Regulated Utility Forms but I need to know the procedure involved with changing Jeff Leslie's name as primary contact from other official correspondence.

I would appreciate any help regarding this matter.

Thank you,
