**Re: Staff Assisted Rate Case for Tymber Creek Utilities, Incorporated in Volusia County,
Docket No. 100359-WS**

Dear Mr. Dodrill:

We have determined eligibility for staff assistance in the above referenced case filed by Tymber Creek Utilities, Incorporated (Tymber Creek or Utility). We find that the Utility is eligible for the staff assisted rate case filing.

The Commission has already received the \$2,000 filing fee for this rate case. Accordingly, the official filing date is September 20, 2010.

Section 367.091(2), Florida Statutes, provides:

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding and the commission shall grant intervener status to any governing body that files a petition.

Please forward a copy of Tymber Creek's application for a SARC to the Chief Executive Officer of Volusia County as required by law, and copy the Commission as proof that an application was forwarded to them.
