On September 8 and 14, 2010, Florida Public Utilities Company (FPUC) notified the Commission by letters that it has changed the name of the recently acquired Indiantown Gas Company to Florida Public Utilities Company – Indiantown Division (FPUC-ID). The letters also indicated that FPUC-ID would continue to provide service under the same tariffed rates, rules, and classifications on file with the Commission for Indiantown Gas Company prior to its acquisition by FPUC. In addition, FPUC-ID filed revised tariffs to reflect the name change.

This notification was sent pursuant to the requirements of Rule 29-9.044, Florida Administrative Code.

Please issue an administrative order acknowledging the name change and approving the revised tariffs.
