Mr. Rosen,

Staff opened a docket to cancel KG Communications based on the update form you submitted. The docket was opened in error.

Commission rules require a written letter from the Company requesting cancellation and payment of the Regulatory Assessment Fee for the year in which the cancellation has been requested.

The 2011 minimum RAF of \$600 would need to be paid in order to process the voluntary cancellation in good standing with the Commission.

Per our conversation you said you would prefer to wait for now, and possibly request cancellation in December 2011.

Would you please respond to this email requesting withdrawal of Docket No. 110078-TX.

Thank you,
