Re: Docket No. 100127-WS -- Application for an increase in water rates in Marion County, Florida by Tradewinds Utilities, Inc.

Dear Mr. deMenzes:

On April 15, 2011, the Utility was sent a deficiency letter for failure to refile Schedule E-2 (wastewater), p. 83, period 1. Upon further consideration and review, Schedule E-2, p. 83, revision 1, filed on November 23, 2010, now ties to the corresponding information contained on Schedule E-14, p. 109, revision 5 that was filed on March 31, 2011. Therefore, the Utility's filing is no longer deficient, and the official date of filing is March 31, 2011.

If you have any questions, please call me.

Sincerely,

A handwritten signature in black ink, appearing to read "Marshall Willis".
