## STAFF'S SECOND DATA REQUEST

**Re: Docket No. 110000-OT - Undocketed Filings - 2012 FEECA Report Data Collection**

Dear Mr. Beasley:

By this letter, the Commission staff requests that Tampa Electric Company (TECO or utility) provide responses to the following data requests.

1. Please expand upon your answer to Question No. 4 of Staff's First Data Request regarding how TECO was able to meet or exceed Commission-established goals in 2010 even though fifteen of thirty-one programs did not achieve projected participation levels. While staff understands that projected participation levels may not be met for all programs, did those programs that did achieve or exceed projected participation levels produce the savings that allowed TECO to exceed its goals? How were overall costs and savings impacted by participation levels being met or exceeded for some programs? Finally, what lessons, if any, has TECO learned from the success of some programs versus others in its DSM portfolio?

Please file the original and five copies of the requested information by Friday, July 15, 2011, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6856 if you have any questions.
