

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for staff-assisted rate case in
Volusia County by Tymber Creek Utilities,
Incorporated.

DOCKET NO. 100359-WS
ORDER NO. PSC-11-0345A-PAA-WS
ISSUED: September 14, 2011

AMENDATORY ORDER

BY THE COMMISSION:

On August 16, 2011, the Commission issued Order No. PSC-11-0345-PAA-WS, approving an increase in rates and charges for Tymber Creek Utilities, Inc., including approving both Phase I and Phase II wastewater rates. Schedule No. 4B on Page 44 of the Order correctly lists the Commission approved Phase I wastewater rates. However, due to a scrivener's error, Schedule No. 8 on Page 51 of the Order incorrectly lists several of the Commission approved Phase I rates in the Column entitled "Commission Approved Phase I rates." Accordingly, Order No. PSC-11-0345-PAA-WS shall be amended to reflect the correct Commission Approved Phase I rates in Schedule No. 8, as reflected in the attached Revised Schedule No. 8.

Further, to reduce confusion, Schedule No. 8 shall also be revised to remove the column entitled "4-Year Rate Reduction," since these reductions are noted in Schedule No. 4B and are not a result of Phase II rate implementation.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. PSC-11-0345-PAA-WS is hereby amended as set forth in the body of this Order. It is further

ORDERED that Order No. PSC-11-0345-PAA-WS is affirmed in all other respects.

By ORDER of the Florida Public Service Commission this 14th day of September, 2011.
