ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 01370-11)

On March 1, 2011, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a request for confidential classification of Schedule A12 of Appendix II to the prepared testimony of FPL witness Terry J. Keith (Document No. 01370-11). This request was filed in Docket No. 110001-EI.

Section 366.093(1), F.S., provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act]." Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Paragraphs (3)(d) and (e) of Section 366.093 F.S., provide that proprietary confidential business information includes, but is not limited to "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

FPL contends that the information contained in Schedule A12 of Appendix II to the prepared testimony of FPL witness Terry J. Keith, as more specifically described in the table in Attachment A, falls within these categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. FPL states that this information is intended to be and is treated by FPL as private and has not been publicly disclosed.

FPL submits that the information in Schedule A12 of Appendix II to the prepared testimony of FPL witness Terry J. Keith contains information concerning contractual data, the disclosure of which would impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms pursuant to Section 366.093(3)(d), F.S. Specifically, FPL states, the information contains information related to the pricing for short-term capacity purchases, the disclosure of which would impair FPL's ability to contract for capacity on favorable terms. Additionally, FPL states, the information provided by FPL contains information related to competitive interests of FPL and of suppliers from whom FPL purchases capacity, the disclosure

of which would impair the competitive businesses of the provided of the information pursuant to Section 366.093(3)(e), F.S.

**Time Period For Confidential Classification**

FPL requests confidential classification for this information for a period of at least 18 months. According to Section 366.093(4), F.S., confidential classification may only extend for 18 months from the issuance of an Order granting confidential classification unless “the Commission finds, for good cause, that the protection from disclosure shall be for a specified longer period.”

**Ruling**

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information constitutes “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms” and “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Thus, the information identified in Document No. 01370-11 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Ronald A. Brisé, as Prehearing Officer, that FPL’s Request for Confidential Classification of Document No. 01370-11 is granted. It is further

ORDERED that the information in Document No. 01370-11 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Ronald A. Brisé, as Prehearing Officer, this 23rd day of September, 2011.
