VERIZON'S CLAIM OF CONFIDENTIALITY

In accordance with Florida Administrative Code Rule 25-22.006(5), Verizon Business Services ("Verizon") asks the Commission to give confidential treatment to and protect from public disclosure certain information Verizon is providing in its responses to Staff's First Set of Interrogatories (Nos. 1-6).

Verizon and Bright House have entered into a Protective Agreement under which Verizon has agreed to provide, in discovery, information and documents which are "proprietary confidential business information" as defined in section 364.183(3) of the Florida Statutes. Consistent with the Order Establishing Procedure in this docket (Order No. PSC-11-0417-PCO-EI), Verizon will serve Bright House with copies of Verizon's responses to Staff's discovery requests. Those responses include information about intercarrier compensation disputes between Verizon and third parties that both Verizon and the third parties treat as confidential, sensitive information that they have protected from public disclosure.

If it appears likely that the confidential information at issue will be used in the proceeding here (or if it becomes subject to a public records request), Verizon
