Message Body: Dear Governor Scott,

This is my third attempt to reach out to your office and I have not heard from anyone. I recently opened a Docket with the Florida Public Service Commission:
<http://www.psc.state.fl.us/dockets/cms/docketFilings3.aspx?docket=110306>
My Docket demonstrates how BellSouth/AT&T will soon put my company out of business through their Service Contract which contradicts the FCC "1996 Communications Act" and threatens my company and the fifteen employees who will lose their jobs. I am requesting that my Governor step in to protect my Rights under the Act so that my company is not affected. I am not asking for any favors just for my Government to protect my Rights..

Thank you,
Abby Matari
