RE: Docket No. 120028-TP – Notice of adoption of existing interconnection agreement between Northeast Florida Telephone Company d/b/a NEFCOM and Astro Tel, Inc. by Southeastern Services, Inc.

By letter received January 24, 2012, Northeast Florida Telephone Company d/b/a NEFCOM filed a notice of adoption of existing interconnection agreement between Northeast and Astro Tel, Inc. which was deemed approved by the Commission in Docket No. 080572-TP. Southeastern Services, Inc. is adopting the interconnection, unbundling, resale, and collocation agreement approved by the Commission pursuant to Section 252(i) of the Telecommunications Act of 1996.

Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(i) requires that a local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved by the state commission to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement in its entirety. Any exception to said obligation is governed by 47 C.F.R. § 51.809(b) and may be filed when such exception exists.

Staff reviewed the agreement in this Docket on February 16, 2012. The filing met the criteria outlined in Section 2.07.C.5.b of the Administrative Procedures Manual in that it complies with Section 252(i) of the Act. This adoption is thereby deemed acknowledged as effective. Accordingly, with this Memorandum, the docket is hereby closed.
