Docket No. 120004-GU
Filed: August 21, 2012

**FLORIDA DIVISION OF CHESAPEAKE UTILITIES CORPORATION'S REQUEST
CONFIDENTIAL TREATMENT OF A PORTION OF ITS RESPONSES TO STAFF'S
SECOND SET OF INTERROGATORIES (NOS. 2-7) (Attachment A)**

NOTICE IS HEREBY GIVEN that the Florida Division of Chesapeake Utilities Corporation ("CHPK"), by and through its undersigned counsel, pursuant to Section 366.093, Florida Statutes, and consistent with Rule 25-22.006(4), Florida Administrative Code, hereby submits its Request for Confidential Classification for information contained in its Responses to Commission Staff's Second Set of Interrogatories (Nos. 2-7), consistent with CHPK's Notice of Intent submitted on August 7, 2012 (x-ref. Document No. 05388-12). In support of this Request, CHPK states:

1. CHPK requests confidential classification of the highlighted customer account information provided in response to Interrogatory 2 and included on Attachment A to the Company's Responses. CHPK treats this information as highly proprietary, confidential business information consistent with the definition of that term in Section 366.093, Florida Statutes.
2. Release of the referenced information as a public record would harm CHPK's business operations and its ratepayers by placing customers' account information and details in the public forum. This information is treated by both CHPK and its customers as confidential. Revealing the information would not only harm the specific customers by disclosing customer usage data, but the information could be used to extrapolate confidential contractual data, which could unfairly impact CHPK's competitive interests. Moreover, disclosure of this information could

provide CHPK's competitors with information that could allow them to unfairly target CHPK's marketing efforts. As such, the information at issue clearly meets the definition of "proprietary confidential business information" set forth in Section 366.093(3), Florida Statutes.

3. Consistent with Rule 25-22.006, Florida Administrative Code, CHPK is requesting confidential classification of the information contained in all lines of the Columns "Acct," "UMNAM," "Premise," "Utility," "Rate," "Revcodes," "Amount," "Usage," "Month," and "BDATE" on pages 1 through 5 of Exhibit A for the reasons set forth in paragraph 2 above. Enclosed with this Request are one highlighted and two redacted copies of Exhibit A as required by the Rule.

4. CHPK asks that confidential classification be granted for the subject information for a period of at least 18 months. Should the Commission find that it no longer needs to retain the information, CHPK respectfully requests that the confidential information be returned to the Company.

WHEREFORE, CHPK respectfully requests that the highlighted information contained in Exhibit A to its Responses to Staff's Second Set of Interrogatories be classified as "proprietary confidential business information," and thus, exempt from Section 119.07, Florida Statutes.

Respectfully submitted,

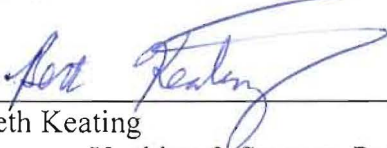

Beth Keating
