Toni, per our conversation, we will change the docket title to reflect Certificate of Necessity (instead of Authority). Thank you for bringing this to our attention.

Hi Matilda,

In the below docket title, wouldn't the certificate be a **Certificate of Necessity No.** because RNK was regulated prior to July 2011? Does it change because Signal Point Corp. will be new?

Can you make the edit or let me know differently.

Docket No, 120295-TX: Application for certificate to provide local telecommunications service by Signal Point Corp.
and request for approval of transfer of assets and **Certificate of Authority No.** 8520 from RNK, Inc. d/b/a RNK Communications, Inc. to Signal Point Corp.

Thanks,
