COMMISSION
CLERK

Dear Sirs:

Please accept this request for a bankruptcy cancellation of AstroTel, Inc's certificate of public necessity as a CLEC in Florida. AstroTel's operating assets were sold to Birch Communications, Inc. on April 11, 2012, in accordance with an order from US Bankruptcy Judge Michael Williamson, and I was under the impression that the certificate was cancelled at that time as part of that process.

AstroTel ceased business operations at a telecommunications carrier on April 11, 2012, and distributed all remaining funds to its creditors in the Chapter 11 bankruptcy process. Therefore, there are no remaining funds to pay ongoing Regulatory Assessment Fees which were paid current at the time of the asset sale.

Thank you,

Mike Ray
