Thank you very much for your help, Jennifer. I don't see a problem with putting them in the docket files per your preference.

I've heard back from Mary Anne and the other supervisors; they didn't have a preference whether these go into the docket filings or correspondence section. I have a personal preference that they go into the docket filings, but if there's any concerns in that regard, please let me know.

We usually put changes of contact information in parties correspondence. However, since this was filed as a "notice," we need a confirmation from GCL as to how to proceed.

I would think they belong in the docket file, but if you usually put notices of change of firm/change of representation/etc. in correspondence, that's fine too.
