In re: Environmental cost recovery clause.

DOCKET NO. 140007-EI
ORDER NO. PSC-14-0486-CFO-EI
ISSUED: September 12, 2014

ORDER GRANTING DUKE ENERGY FLORIDA, INC.'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 03986-14)

On July 25, 2014, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Duke Energy Florida, Inc. (DEF or Company) filed a request for confidential classification (Request) for certain information provided in Exhibit TGF-3, Form 428e, specifically page 21 of 27, and Exhibit TGF-4, CR Thermal Discharge-2012, specifically page 16 of 17, attached to the July 25, 2014 direct testimony of Thomas G. Foster (Document No. 03986-14).

Request for Confidential Classification

DEF contends that the information for which it requests confidential classification, as specifically described in Exhibit C of its Request, constitutes proprietary confidential business information entitled to protection under Section 366.093(3), F.S. DEF affirms that the information sought to be protected is intended to be, and is treated as, confidential by DEF and has not been publicly disclosed.

DEF asserts that the information at issue relates to contractual data, such as MegaWatts purchased and contract terms, the disclosure of which would impair the efforts of the Company to negotiate power supply contracts on favorable terms. Furthermore, DEF contends that the information also relates to the competitive interests of DEF and its power suppliers, the disclosure of which would impair their competitive businesses. DEF argues that the information is entitled to confidential classification pursuant to Section 366.093(3), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears that the information described above satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above and in Exhibit C, attached to DEF's Request, appears to be information concerning bids or other contractual data, the disclosure of which would impair the efforts of DEF or its affiliates to contract for goods or services on favorable terms, and information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Document No. 03986-14 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless DEF or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Duke Energy Florida, Inc.'s Request for Confidential Classification of Document No. 03986-14 is granted. It is further

ORDERED that the information in Document No. 03986-14, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 12th day of September, 2014.
