COUNTY OF PALM BEACH)	
BEFORE ME , the undersigned authority, personally appeared Melissa Linton who, being first duly sworn, deposes and says:	
1. My name is Melissa Linton. I am currently employed by Florida Power & Light Company as Director of Finance, Forecast, Strategy and Analysis. My business address is 700 Universe Blvd., Juno Beach, Florida, 33408. I have personal knowledge of the matters stated in this affidavit.	
2. I have reviewed Exhibit C and the documents that are included in the testimony and exhibits of Jeffry Pollock filed on behalf of Florida Industrial Power Users Group ("FIPUG") in regards to Florida Power & Light Company's ("FPL") Petition for Prudence Determination Regarding Acquisition of Gas Reserves for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed (Exhibits JP-1 and JP-3), contain proprietary confidential business information, including information relating to competitive interests, the disclosure of which would impair the competitive business of FPL, its affiliates or its vendors. Specifically, the documents contain information regarding gas reserves estimates, projected economics and other terms. The disclosure of this proprietary confidential business information would provide other participants in the fuel and financial markets insight into FPL's hedging practices that would allow them to anticipate FPL's trading decisions and impair FPL's ability to negotiate for these commodities, to the detriment of FPL and its customers. Disclosure of this information would also place FPL at a competitive disadvantage when coupled with other information that is publicly available. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.
