## P R O C E E D I N G S

1  
2           **CHAIRMAN BROWN:** Moving on to Item 9.

3           **MS. GUFFEY:** Good morning, Commissioners.

4           Item 9 is a petition by Florida Power & Light for a --

5           **CHAIRMAN BROWN:** Could you move your mike?

6           **MS. GUFFEY:** Sorry. Item 9 is a petition by  
7           Florida Power & Light for approval of revised tariff.  
8           The revised tariff reflects an increase in the base  
9           rates and a reduction in fuel factors. Base rates  
10          increase as a result of the implementation of the  
11          generation base rate adjustment factor resulting from  
12          the commercial operation of the new -- FPL's new power  
13          plant, the Port Everglades Energy Center. Fuel factors  
14          decrease as a result of the fuel savings of the Port  
15          Everglades Energy Center. Both the generation base  
16          rate adjustment factor and the fuel factors have been  
17          already approved by the Commission in the 2015 fuel  
18          docket, with the changes in rates to be effective with  
19          the in-service date of the Port Everglades Energy  
20          Center, which is currently scheduled to be April 1st,  
21          2016. FPL will provide notice to its customers of the  
22          revised base rates and fuel factors before April 1st,  
23          2016. Staff did not receive any customer comments on  
24          this proposed petition, and staff recommends approval  
25          of FPL's revised tariff.

1           **CHAIRMAN BROWN:** Thank you.

2           **MS. GUFFEY:** Thank you.

3           **CHAIRMAN BROWN:** Thank you.

4           Commissioners, any comments or questions on  
5 this item?

6           **COMMISSIONER GRAHAM:** Move staff.

7           **CHAIRMAN BROWN:** Is there a second?

8           **COMMISSIONER BRISÉ:** Second.

9           **CHAIRMAN BROWN:** All those in favor.

10           (Vote taken.)

11           All right. The item passes. Thank you very
