## Important Account Information

The FCC modifies the rate that voice providers pay into the USF on a quarterly basis. USF is assessed on applicable voice services as the Universal Connectivity Charge at the FCC's approved rate. See:

<http://www.fcc.gov/encyclopedia/contribution-factor-quarterly-filings-universal-service-fund-usf-management-support>. A new rate becomes effective 10/01/2017.

The Regulatory Recovery Fee is neither government mandated nor a tax, but is assessed by Comcast to recover the costs of certain federal, state and local impositions related to voice services.

Accounts that are not paid in full by the due date are subject to a \$9.50 fee.
