Re: 2018 Lifeline Report Data Request – Supplement
Commission Order No. PSC-08-0418-PAA-TP

Dear Sir or Madam:

Please find attached the supplement of TracFone Wireless Inc. with respect to the letter issued by your office on January 22, 2019. Pursuant to the request, this supplement should be placed in the undocketed file. The letter requests a response to the following:

- Has TracFone Wireless, Inc. ever provided Transitional Lifeline service to its Florida customers? If yes, when did the company stop offering Transitional Lifeline service?

TracFone provides Transitional Lifeline to its Florida customers. Specifically TracFone's ETC order requires it to offer a 30% discount on prepaid cards to former Lifeline customers for a period of one year following the end of their eligibility, in lieu of providing Transitional Lifeline. Information on discounted SafeLink prepaid cards can be found on the SafeLink website.

This response is non-confidential. Please contact me if you have any questions about this submission. I can be reached at (305) 715-3613 or sathanson@tracfone.com.

Sincerely,

Stephen Athanson
Regulatory Counsel
