Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm upset that Florida Power & Light is getting the benefit of a massive tax cut and is passing those savings to its shareholder at the expense of its customers. Other customers across the U.S. have enjoyed lower

bills as a result of a tax savings given to their energy/electric companies. As Florida Power & Light customers, we should too.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Roberto Sequeira
