On January 10, 2019, an application was filed on behalf of Pluris Wedgefield, Inc. (Utility) for acknowledgement of a name change. In 1983, this Commission granted Econ Utilities Corporation (Econ) Certificate Nos. 404-W and 341-S in a grandfather docket.¹ The Utility has been transferred three times, including once at the parent level, and the Utility's service territory has been amended twice. In 1996, this Commission approved the transfer of Econ to Wedgefield Utilities, Inc. (Wedgefield), and in a separate docket, amended its service territory.² In 2006, this Commission approved the transfer of majority organizational control of the Utility's parent.³ In 2009, Wedgefield was transferred to Pluris Wedgefield, LLC,⁴ which then was granted a name change to Pluris Wedgefield, Inc.⁵ In 2015, this Commission approved an amendment of the Utility's service territory.⁶

The application was filed pursuant to Rule 25-30.039, Florida Administrative Code (F.A.C.), which provides for changes in name only, with no change in the ownership or control of the utility or its assets. The application contains a statement attesting that there will be no change in the ownership or control of the Utility and its assets. The application includes documentation from the Florida Department of State, Division of Corporations, that the new limited liability corporation was registered in Florida effective December 31, 2018. On February 15, 2019, the Utility filed an affidavit stating that it mailed the approved customer notice advising of the Utility's name change to its customers with their bill on February 13, 2019.
