Subject: Transfer of Ownership, Potable Water

Dear Mr. Mason:

It is the Utilities Department's understanding that you recently inquired about turning over to the County the private potable water system that serves Sunny Shores, Parrot Cove Marina, and Sagamore Estates.

This letter is to inform you that Manatee County has a formal process for owner's of private utility systems (i.e., communities, associations or developments) seeking to transfer ownership of a private utility to Manatee County. Attached is the initial letter we provide to such entities that explains this process.

If there are any questions regarding this, please contact Ms. Amy Pilson, Strategic Affairs Manager (792-8811, x-5345).

Regards,

Mark Simpson
Deputy Director, Utilities Department
